

BUILDING, LAND USE & HOUSING
Action Minutes of Committee Meeting
February 16th, 2011

Members Present: Paul Ireland, Millie Schafer, Tracy Berglund, Jerry Dustrud, Ken Lawrence, Ali Welli

Others Present: David Fields

The meeting was called to order at 6:04PM by Chair, Paul Ireland

The committee approved the Agenda for the meeting.

The committee approved minutes from the last BLUH meeting in January 2011.

The meeting consisted of reports and discussions on:

- 1) Friends of the Triangle Park collaboration with Mn/DOT for seasonal plantings and working on a “gateway” master plan for the park.
- 2) Activities of the Community Livability Task Force: development of a community policing plan.

There also was some preliminary discussion about the possibility of a spring neighborhood clean-up, perhaps as a collaboration of churches. Paul Ireland is going to look into the plausibility of undertaking such a clean-up.

Respectfully submitted,

David Fields
